Jim Mason of Country Landscapes Named President of Industry Association

Jim Mason of Country Landscapes, Inc. (www.countrylandscapes.com) in Ames, Iowa has been elected President of the Western Nursery and Landscape Association. The Western Nursery and Landscape Association's members from 35 states and Canada are landscape contractors, landscape architects and designers, independent garden centers, growers, and other green industry professionals. The Association's annual trade show and education event, The National Green Centre, features world-renowned industry speakers, networking opportunities, and a wide range of industry exhibitors. The 2011 National Green Centre (www.nationalgreencentre.org) will be held in St. Louis on January 9-10.

Jim has a degree in landscape architecture from Iowa State University. In 1981, Jim co-founded Country Landscapes, Inc. Country Landscapes is a design/build operation with Jim spearheading the marketing, design and sales portion of the business. Besides Ames, Country Landscapes has operations in North Liberty and Clear Lake, Iowa. Country Landscapes works with any type of design/build project, from residential to large public and commercial projects.
